To whom it may concern,

**Kiwanis Club of Kanata-Stittsville Kids for Kids (K4K) Talent Showcase**

The Kiwanis Club of Kanata-Stittsville was newly formed at the beginning of 2018 and is committed to providing services to children and youth within our local community. We also support Kiwanis International's projects to help children in need throughout the world.

One of our initiatives is to host a Children and Youth Talent Show - the **K4K Talent Showcase**. The objective is for local Children and Youth to showcase their talent and in doing so raise funds that can be used to support children and youth throughout the community.

After a two-year break due to the COVID-19 Pandemic, we are pleased to announce we will be holding a live show this year. The 2022 K4K Talent Showcase will be held on October 21<sup>st</sup>, 2022, at the Stittsville United Pentecostal Church Auditorium.

We are seeking children and youth performers to take part in the Talent showcase. I have attached a copy of our Audition Poster which explains what we are seeking and how Acts can be submitted for consideration. Could you please make your students aware of the opportunity and display copies of our Audition Poster within the school for their information and consideration?

Audition Videos must be submitted no later than September 16<sup>th</sup>, 2022.

Yours Sincerely,

A handwritten signature in cursive script, appearing to read 'Glynn Kneebone'.
