

Privacy Policy for Smart AI Locator Recorder

Effective Date: June 13, 2025

This privacy policy explains how the Smart AI Locator Recorder Chrome Extension collects, uses, and protects your information.

1. Data Collection

Smart AI Locator Recorder does NOT collect any of the following types of personal data from users:

- Personally identifiable information (e.g., name, address, email, etc.)
- Health information (e.g., symptoms, diagnoses, medical history)
- Financial and payment information (e.g., credit card numbers, financial statements)
- Authentication information (e.g., passwords, credentials, security questions)
- Personal communications (e.g., emails, chat messages, texts)
- Location data (e.g., IP address, GPS coordinates)
- Web history (e.g., list of websites visited, page titles)

Smart AI Locator Recorder ONLY collects user activity such as:

- Click interactions
- Element selection within the browser
- Tag and attribute information for web elements

This data is used solely to generate locator information for testing and automation purposes. It is not stored, shared, or transferred to any third party.

2. Data Usage

The data collected is processed locally within the user's browser and used only to fulfill the extension's single purpose: recording unique locator paths for automation workflows.

3. User Control

All data generated during the session is saved locally to the user's system in downloadable .txt and .json files upon clicking the 'Stop Recording' button. The extension does not transmit data over the internet.

4. Data Sharing

- We do NOT sell or transfer user data to third parties.
- We do NOT use or transfer data for purposes unrelated to the extension's single purpose.
- We do NOT use or transfer data to determine creditworthiness or for lending purposes.

5. Contact

If you have any questions about this Privacy Policy or your data, you may contact us at:
