Exploring Ocean Animals

Explore	Assignment
Your exploration will start by watching some 3D videos of animals that live in our oceans! Click HERE to watch the first video, make sure to drag your mouse around in the video so you can see all around you! Click HERE to watch your second video. Click As you are traveling through the different oceans think about your favorite animal that you see, because you will use that for your assignment!	For your assignment you are going to go to Pebble Go, and type your favorite ocean animal in the search bar. Make sure to read all the information about your animal so you can answer the questions below: 1. What is your favorite ocean animal? 2. Why is that your favorite ocean animal? 3. How big is this animal? 4. What is an interesting fact about your animal?

Explain:	Assignment:
For this next part, you are going to watch this [VIDEO](#), which tells many interesting facts about ocean animals.	Write down three interesting facts that you learned about while watching the video: 1. 2. 3.

Apply:	Assignment:
Now you are going to use some websites to learn more about the animal you chose! I will provide some websites you can look at below, but you may also use any other websites if needed! [Kids National Geographic](#) [Georgia Aquarium](#) [National Ocean Services for Kids](#) [Pebble Go](#) (To sign on use avl for both the username and password)	Now you are going to complete the [Ocean Animal Worksheet](#), with [Kami](#). This worksheet will help you when you are working on your next assignment.

Create:	Assignment:
You are now going to use [Book Creator](#) to show me all of the information you learned about your animal! Make sure to include pictures of your animal and make it as colorful as you want to!	Now for your assignment you are going to make a short book on [Book Creator](#) about your animal. Here is a [document](#) that lists what should be in the book! Once your book is finished you may copy a link and paste it here:
