**DAEDALUS:** Home sweet home.

**ICARUS:** All 800 feet of it.

**DAEDALUS:** Hey, it's at least 940.

**ICARUS:** It's *tiny*.

**DAEDALUS:** And it's what we have now, so we will make the best of it. Καταλαβαίνεις?

**ICARUS:** *(With a sigh)* Καταλαβαίνω.

*[A BEAT.]*

**DAEDALUS:** It'll be great. We'll get it all fixed up. There's plenty of space, you'll see.

**ICARUS:** I still don't understand why you don't just sue Theseus for stealing all your ideas and stuff! You could get all your money back, right? I mean, it's obvious he did it, right?

**ICARUS:** But Dad, he-

**DAEDALUS:** I know what he did. I was there. And I was there when he did it to Aunt Ariadne, too. But *this* is not the battle.

**ICARUS:** Then what *is*?

**DAEDALUS:** I'm sure I'll know it when I see it.

*[A BEAT.]*

**DAEDALUS:** Or maybe you will.
