

Principal Message for March, 24, 2025

Greetings Carroll Families,

I hope you all had a restful weekend ahead of the workweek. The following are a list of information and activities for this week. Spring break will begin March 31 to April 4, 2025

Campus safety

This is a reminder that all visitors must have a valid form of ID and a phone to access the QR code on the door to check students in/out. Any parent who enters the building must remain in the main office area.

Schoolwide Expectations

Parents, we are asking for your support with students who are wearing excessively short outfits/garments. All outfits must comply with board policy 4316. As a reminder, I kindly ask for parents to speak with your kids about the responsible use of their cellphones and social media. All students must place cellphones, earbuds, headphones, smart communication devices etc., hats and pocketbooks in their lockers. Any students who cannot comply with expectations for cell phones, and communication devices can be subject to consequences. With the events that disrupted campus and learning last week we will be working with our student support services dept. from the central office to speak with students about being responsible digital citizens. Parents, please be sure to remind your child not to engage in rumors and focus on their learning as we transition into quarter four.

Academic Focus

Quarter three ends on March 28, 2025, all students are expected to complete assignments prior to the grading period ending. Please speak with your child and check their Canvas assignments to ensure they have completed and turned in all work for the quarter. As a reminder, parents can request access to PowerSchool here: bit.ly/PSaccess.
