To make this template your own, click on "File" on the menu bar in the upper left corner, then select "Make a copy" from the drop-down menu (or print it if you prefer to write). An example is provided below; start on the next page when you're ready.

Date	IEP Service	Minutes of Service Delivered	Duration Specified in IEP	What Worked: accessibility, adaptations, activities, etc.	What <i>Didn't</i> Work: accessibility, adaptations, activities, etc.	Did it Target IEP Goals?
9/22/20	OT	30	60 mins per week	Dance party breaks are a good motivator. Therapist's energy levels are positive.	All work being requested from OT has required in-person, hand-over-hand assistance. Tasks are being requested without modeling, which causes intense frustration. Tasks are not based on IEP goals, and instead are targeting inappropriate functional levels (for example, asking Charlie to make letters out of clay).	No
