Members Code of Conduct

The language of communication for Corona Plateau Branch is English. Members are expected to...

- *treat all people associated with the Club including members, volunteers, partners, external stakeholders, speakers, and Committee Members with respect*
- *be open to and accepting of the differing cultural norms of our diverse membership and respond appropriately*
- *be honest at all times and act as a positive role model*
- *adhere to the policies and procedures established by the Club*
- *adhere to the legislative requirements of the Club*
- *always look for opportunities for improved performance of the Club operations and Committee functions and share ideas for improvement with the committee through the comments box or by email*
- *refrain from negative comments that could damage the Club or its members' reputations*
