

Hi everyone!

It's almost time for our Fall 2025 Campout at Inks Lake! We are getting excited for another successful event. Please review the following announcements, and forgive me for the large number of them.

Announcements:

- **Registration is now closed.** If something has changed and your family can now make it please reach out to me directly.
- **Feel free to camp on Friday night, but please note that there are no Scout activities scheduled.**
- Your **Annual Dues for Cub Scouts** are **due before** coming to the campout.
- You **must fill out** and **turn in** your **Medical Forms** to go Camping. If you have not turned them in yet please drop them by the Burches today. She has set out a box where you can place them at **11607 DK Ranch**
- Let us know if you would like to submit a chili or a dessert for the competition. We ask that each den have at least one entry. We encourage scout participation, but it is not required.
- At the camp-out, **please be on time** for the **opening and closing ceremonies** and have your scout **wear** their **Class A's**
- The **fee for scouts was free** this time **because** we sold so much **popcorn** last year. Let's do the same this year!
- Whether you are attending or not, **please take the time to review the Youth Protection Program.** Please [find the English guide here](#) and [the Spanish guide here](#).

[Danielle has put together an excellent camping guide that includes our schedule](#) and other information for the weekend, including what your Den is bringing for dinner Saturday night. I will add individual camping sites to her document once finished.

Have a good week, and we hope to see you this weekend.

Feel free to text me with any questions.
