SPED LIFE Learning Plan

SPED LIFE

Sped Math/ ELAR/ Science/ Social Studies Courses include Kinder-12th

Resources used:

- LIFE students will have access to online resources to target IEP goals. A communication will be sent by your child's teacher for login access.
- Unique curriculum lessons (usernames and passwords provided by teachers)

Resources available through Clever using district Log-Ins.

- Pearson myWorld Social Studies Textbook - Students log in through Clever
- PebbleGo
- BrainPop Jr - Students log in through Clever
- Unite for Literacy
- Discovery Education- Students log in through Clever
- https://wow.boomlearning.com/ (No district login but you can create your own and download activities to iPads)
- Reading A-Z books available to students through https://tinyurl.com/IrvingRAZ

Teachers will assign work that will review and prepare students for success on current IEP goals. Teachers have set up each student's Unique profile with activities to be used at home. You will receive an emailed letter from your child's teacher with login information. During this remote learning time, teachers will monitor work daily and provide feedback on student progress utilizing the Unique data reporting system.
