Targets: 200 yd-SR, 300 yd-SR-3, 600 yd MR1

Equipment: Service Rifle, Match Rifle

Triggers will be weighed prior to the EIC Match in order to receive a scorecard

Ammunition: Must be furnished by the competitor. No tracers or AP are allowed. No calibers larger than .35. All 5.56 / .223 must be 62-grain or heavier at the 600 yard-line. Any defective or unsafe ammunition will be removed from the firing line.

Challenges: A \$3 Challenge Fee will be charged for lost challenges. The challenge period will be 30 minutes after the completion of each match. All awards and scores are tentative until publication of the official match results. The Statistics Officer will resolve all protests.

Awards:

- Place awards will be made by rifle type. If there are not five entries within a particular rifle type, then that rifle type will be deleted and individuals in that rifle type will be moved to another. As an example, Match Rifle could be combined with Service Rifle to form a category.
- Awards will also be made within classifications provided that there are a minimum of five competitors within that classification. Classes will be combined upward as required except the High Master class.
- The number of awards is determined by the number in the class. Second, third, fourth place, etc., awards will be given based on one award for each five (5) competitors, i.e., second 6-10; third 11-15, etc.
- Special awards for High Senior, High Junior, and High Woman.

CMP EIC matches: Awards will be determined and awarded by the CMP pending the review of match results.

Final Results: Results from all matches will be posted on the Club's website at goldentrianglegunclub.com

Highlighted Safety Notes – competitor is responsible for ALL published CMP rules, rules posted in the pits, and GTGC range-specific rules as follows:

- The use of an empty chamber indicator (ECI) is always required even while the rifle is in the case. Only during a preparation period or actual firing may the ECI be removed from the rifle.
- Magazines and loading blocks may only be inserted in the rifle during the preparation period or live firing.
- Level-loading is required. Rifles must be pointed at the impact berm or lower while closing the bolt.
- Hearing protection, eye protection, and a billed hat are required in the pits.
- Coaching is allowed for new shooters during the preparation and sighting periods.

- Use of cell phones on the firing line is permitted for scoring and keeping time only.
- All brass must be policed.
- CMP Rule 3.6.2 Eye and Hearing Protection: All competitors and competition officials, including Scorers or Verifiers, are required to wear eye and hearing protection when on shooting range firing lines during highpower rifle firing. See rule book for further specifics on eye protection dimensions and proper wear.
