Personality

A combination of listed traits with explanation behind them. Please include at least 3 positive, 3 neutral, and 3 negative personality traits. Ex:

- (Positive) Humorous: Character loves a good joke and is always willing to crack one regardless of context. Their motto: best way to get through life is to laugh it off.
- (Neutral) Quiet: Character isn't a conversation starter, but they still enjoy social interaction and a good conversation
- (Negative) Sarcastic: Character's main source of communication is through sass and sarcasm. He was raised in a family full of snarks; it cannot be helped.

**You can write the personality in bullet points such as above or in paragraph format like below:*

"DJ is a very **humorous** person that loves a good joke and takes any opportunity to make one. Oddly enough though, he is rather **quiet** in most social settings and keeps to himself but if you do manage to get him going, he is quite **sarcastic**"

History

**please include how your character was turned if they were turned into a monster. 250 to 500 word minimum.*
