Fall conferences are coming soon!
Below is important information about scheduling a conference with your scholar's teacher(s). Thank you for your ongoing involvement. A strong home-school partnership has always been critical to student success.
Conferences will be held on **October 28 after school, 3:30-7:00 and on October 29th 2:30-6:30.** *Please email the teacher* if these times/days do not work for you.
6th Grade Families:
For conferences, you will meet with your scholar's "cored pair" (the two teachers that teach science/math and social studies/English language arts).
7th and 8th Grade Families:
To streamline and simplify the middle school conference experience, each family who signs up for conferences will meet with their scholar's core 2 teacher. The core 2 teacher will share information about academic progress in *all* core classes. If you feel it is important to meet with a teacher other than your scholar's core 2 teacher, please email the teacher you wish to meet with directly
Related Arts & other specialists: Teachers will be available for drop-in conferences (no appointments required) on *October 28th after school 3:30-7:00 pm and on October 29th 2:30-6:30,* If you prefer to schedule a conference with a Related Arts teacher rather than dropping in, please email them to schedule a time. Here are the emails for Related Arts Staff.
We hope you can join us for Fall conferences. Conferences are not mandatory. To help make the conference efficient and effective, please communicate any questions and/or concerns to teachers before the conference. Sending this information in advance allows teachers to be better prepared to provide answers and/or strategies during the conference.
How to sign-up (see image below): You will receive an email from either your child's cored pair (6th grade) or your child's Core 2 teacher on October 13th or 14th. The sign-up platform will be Google Appointments. The sign-up for conference will close on October 21st at midnight. This deadline is important in order for our teachers to prepare.
If you sign up for a conference and something comes up within 24 hours of the scheduled time/day and cannot attend, please contact the teacher directly.
As a reminder, we have many opportunities to communicate student progress with families throughout the year.

- Two family conferences. One is in the Fall, and the other is in the Spring. Families are encouraged to communicate with teachers beyond these scheduled conferences.

- Report cards are available on Infinite Campus after each semester (or quarterly for Related Arts classes).

- Infinite Campus is available for families to check on student progress
    - Here are Infinite Campus "How to" videos and screenshots that may be useful:
        - How to log in to Infinite Campus (38-second video) or HelpDoc
        - How to check your scholar's missing assignments (2 min. video) or HelpDoc
        - What are Conduct and Effort Scores? (2.5 min. video)
        - How to check your scholar's Conduct and Effort Scores (3 min. video) or HelpDoc

January/February 2026
Dear IMMS Families,

Winter conferences are coming soon! Below is important information about scheduling a conference with your scholar's teacher(s). Thank you for your ongoing involvement. A strong home-school partnership has always been critical to student success.

Conferences will be held on ***February 11, 2026, after school, 3:30-7:00, and on February 12, 2026, from 2:30-6:30.***

6th Grade Families: For conferences, you will meet with your scholar's "cored pair" (the two teachers that teach science/math and social studies/English language arts).

7th and 8th Grade Families: *To streamline and simplify the middle school conference experience,* each family that signs up for conferences will meet with their scholar's core 2 teacher. The core 2 teacher will share information about academic progress in *all* core classes. If you feel it is important to meet with a teacher other than your scholar's core 2 teacher, please email the teacher you wish to meet with directly

Related Arts & other specialists: Some teachers will be available for drop-in conferences (no appointments required) on *February 11, 2026 after school and February 12 from 2:30-6:30. Also, some related arts staff will be available at our IMMS Family Fun Night on February 26th.* If you prefer to schedule a conference with a Related Arts teacher rather than dropping in, please email them to schedule a time. Here are the emails for Related Arts Staff.

How to sign-up: You will receive an email from either your child's cored pair (6th grade) or your child's Core 2 teacher on January 28, 2026. The sign-up platform will be Google Appointments. **The sign-up for conferences will close on February 3rd at midnight.** This deadline is important in order for our teachers to prepare.

To help make the conference efficient and effective, please communicate any questions and/or concerns to teachers before the conference. Sending this information in advance allows teachers to be better prepared to provide answers and/or strategies during the conference.

If you have signed up for a conference and something comes up within 24 hours of the scheduled time/day and cannot attend, please contact the teacher directly.

Winter Conferences are not mandatory, but we hope you can join us. As a reminder, we have many opportunities to communicate student progress with families throughout the year.

- Two family conferences. One is in the Fall, and the other is in the Winter/Spring. Families are encouraged to communicate with teachers beyond these scheduled conferences.

October, 2024
Dear IMMS Families,

Fall conferences are coming soon! Below is important information about scheduling a conference with your scholar's teacher(s). Thank you for your ongoing involvement. A strong home-school partnership has always been critical to student success.

Conferences will be held on ***October 23 after school 3:30-7:00 (in-person) and on October 24th 2:30-6:30, with virtual (Google Meet) and in-person options***. *Please email the teacher* if these times/days do not work for you.

6th Grade Families: For conferences, you will meet with your scholar's "cored pair" (the two teachers that teach science/math and social studies/English language arts).

7th and 8th Grade Families: *To streamline and simplify the middle school conference experience,* each family who signs up for conferences will meet with their scholar's core 2 teacher. The core 2 teacher will share information about academic progress in *all* core classes. If you feel it is important to meet with a teacher other than your scholar's core 2 teacher, please email the teacher you wish to meet with directly

Related Arts & other specialists: Teachers will be available for drop-in conferences (no appointments required) on *October 23rd after school 3:30-7:00 (in-person) and on October 24th 2:30-6:30,* If you prefer to schedule a conference with a Related Arts teacher rather than dropping in, please email them to schedule a time. Here are the emails for Related Arts Staff.

We hope that ALL families can join us for Fall conferences. To help make the conference efficient and effective, please communicate any questions and/or concerns to teachers before the conference. Sending this information in advance allows teachers to be better prepared to provide answers and/or strategies during the conference.

How to sign-up: You will receive an email from either your child's cored pair (6th grade) or your child's Core 2 teacher on October 14th. There will be various times (both virtual and in-person) for you to choose from. The sign-up platform will be Google Appointments.

If you have signed up for a conference and something comes up within 24 hours of the scheduled time/day and cannot attend, please contact the teacher directly.

As a reminder, we have many opportunities to communicate student progress with families throughout the year.
