

Privacy Policy

Russian Dictionary ("We", "Application", "Our") (Толковый Словарь С.И.Ожегов) values the privacy of its users. This Privacy Policy explains how personal data of users ("you", "users") using the **Russian Dictionary** (Толковый Словарь С.И.Ожегов) application is processed.

1. Information Collected

This application does not collect personal information from its users. **Russian Dictionary** (Толковый Словарь С.И.Ожегов) only shows **AdMob** ads. However, **AdMob** may collect user data according to its own privacy policies, and it is responsible for this data collection.

2. AdMob Ads

We use **AdMob** for advertising purposes within the application. **AdMob** may use cookies and other tracking technologies to collect anonymous information about users. You can find detailed information about how **AdMob** collects, uses, and shares user data in their AdMob Privacy Policy.

3. Data Sharing

Our application does not collect or share personal information about users. However, third-party advertising providers, such as **AdMob**, may collect and use anonymous user data according to their own privacy policies.

4. Cookies and Tracking Technologies

This application does not directly use cookies or tracking technologies. However, **AdMob** may use cookies and tracking technologies to personalize ads based on user experience. This includes tracking user interaction with ads within the application.

5. Data Security

Since our application does not collect user data directly, we do not implement specific security measures for personal data. However, **AdMob** is responsible for ensuring the security of any data it collects.

6. User Rights

Since the application does not collect personal data, users cannot request access to or modification of their data. However, if you have any questions regarding data collected by **AdMob**, please refer to the AdMob Privacy Policy.

7. Contact Information

If you have any questions regarding this Privacy Policy, please feel free to contact us at:
