

# The Legacy Podcast: Eli Travel Guy Top Card Recommendations

*Here are my current top credit card recommendations.*

*Remember, this is not a one-size fits all. If you want a consult to help make sure you are getting the best value based on your specific spending, you can [arrange a complimentary travel consult call here](#).*

*We will walk you through where you are leaving money on the table, what kind of travel you could be getting, and if/how our services could work for you.*

## Application Tips:

- For most of these cards you will want to have at least a 720 credit score.
- Please also apply direction via this link and turn off any incognito browser and/or VPN.

## PERSONAL CARDS:

- **Amex Gold: Apply Here**
  - Best for groceries and dining. Earns 4x points per dollar on those 2 categories.
- **Amex Platinum: Apply Here**

## BUSINESS CARDS:

- **Amex Business Gold: Apply Here**
  - Great for points earning on business spend categories such as ads, software, travel, and dining.
  - Can get multiple cards under the same entity to keep hitting the \$150k/yr 4x bonus point cap.

- **Amex Business Platinum: [Apply Here](#)**
  - Great for travel benefits and perks such as lounge access, status, etc
  - Charge card
  - 35% rebate on first class via the travel portal
- **Capital One Venture X For Business: [Apply Here](#)**
  - Best for “non-category” bonuses such as payroll, inventory, supplies, etc.
  - Charge card, like amex business platinum
  - 2x points per dollar on everything
