Job Requirement:

1. Job description for Content Creator Intern

We seek a motivated and committed individual eager to learn and advance. The primary duty of this job role is to travel to designated locations to produce promotional videos, conduct marketing campaigns, gather feedback from customers about our products, distribute free product samples in public, and create brand awareness through various marketing strategies.

Who can apply:

Anyone with a good speaking voice, capable of creating high-quality videos, enjoys traveling, and wishes to pursue a career in filming, anchoring, or shooting is eligible to apply.

Requirements:

A degree in Mass Communication is preferred.

Job Type: Internship

2. Job description for Video Creator Intern

We are looking for an enthusiastic and dedicated candidate who is eager to learn and grow. The main responsibility of this job position is to visit assigned locations to record promotional videos and capture marketing campaigns with exceptional quality and angles.

Who can apply:

Anyone with a smartphone with excellent camera quality loves to travel and aspires to build a career in shooting, video editing, or filming.

Requirements:

A degree in Mass Communication is preferred.

Job Type: Internship
