## Explanation of Freelance Scriptwriter, Airbnb Experience Host, and Passion for Traveling

Dear Sir/Madam,

My name is Ho Mong Tien, with passport number... I am writing to provide a detailed explanation of my freelance work as a scriptwriter and Airbnb experience host. Both my scriptwriting work and hosting Airbnb experiences have provided me with a stable income, enabling me to support myself and contribute positively to Vietnam's creative and tourism sectors.

I completed my Bachelor of Arts in Journalism at the esteemed Vietnam National University - Ho Chi Minh City University of Social Sciences and Humanities in 2015. Additionally, I obtained a certificate in scriptwriting for films in 2017, further enhancing my creative skills. As a freelance scriptwriter, I specialize in writing scripts for sitcoms, films, and various content projects. I am proud to have contributed to several TV programs aired on VTV and HTV, with my name featured in the credits.

Alongside my scriptwriting work, I have actively engaged as an Airbnb Experience host for the past four years, operating tours in Ho Chi Minh City and Hoi An with my husband, Truong Vu Nguyen (passport number...). We have received consistent praise from our guests for our warm hospitality and extensive knowledge of Vietnamese culture, as reflected in over 100 positive feedback reviews on our Airbnb profile.

Traveling has always been a profound passion of mine as it allows me to explore diverse cultures, gain new experiences, and enhance my storytelling abilities. Together with my husband, I have visited seven countries, including Cambodia, Thailand, Malaysia, Singapore, Indonesia, Nepal, and India. Now, I am thrilled at the opportunity to visit the Republic of Korea and explore its captivating culture, traditions, and natural beauty. Korean movies have greatly influenced my work as a scriptwriter, and I believe that immersing myself in Korean culture will further enrich my creative endeavors.

I am sincerely grateful for your consideration of my visa application. Thank you for your attention, and I eagerly look forward to the opportunity to explore the beauty of Korea.

Sincerely,  
Ho Mong Tien
