* About *

'The Adventures of the Great Trial' is a The Great Ace Attorney/Dai Gyakuten Saiban zine with a spring theme! This will be a digital non-profit zine and will showcase the characters of TGAA in a spring-like setting.

The zine will be Safe for Work and include both artists and writers along with digital merch.. Cursing and canon-typical violence will be allowed.

We will be allowing ships in this zine - with a small-ish list of ships we will not allow based on the Interest Check.

The zine will include spoilers for both TGAA games
