Safety

Safety padding for referees' stands and poles is mandatory.

Officials:

Minimum of 2 referees and an official scorekeeper for all matches.

2 referees, an official scorekeeper and 2 line judges for both medal matches.

Tie Breaker procedure:

If two teams are tied at the end of flight play, the head-to-head result determines placing.

If three or more teams are tied at the end of flight play, the tie will be resolved according to the following:

- 1) The win-loss match record of the tied teams in matches involving only the tied teams
- 2) Net sets in matches only involving the tied teams
- 3) Net points in matches only involving the tied teams
- 4) Net sets in all matches
- 5) Net points in all matches

When at any point in the tie-breaking procedure a three-way tie becomes a two-way tie, the head-to-head result between the tied teams will determine their placing in the standings.
