

Instructions for Setting Up Google Slide Presentation for the Olympic Project

Sign onto the computer.

Login to your school Google.

Open your Google Drive.

Click "New" (Red Square).

Click "Google Slide" (Yellow Icon).

Click "Untitled Document"— This is your file name. You should name this presentation:

Olympic Project: Your Sport

Choose a "Theme".

Create your title slide:

Olympic Sport

Your Names & topics

Teacher's Name

Date Project is Due

Each team member should have at least 2–3 different slides to explain their portion of the project.

- Each different slide should be titled with the specific detail of your sport.
- Each slide should have a coordinating image.
- ONE slide should include a video clip.

Your total presentation should last from 2–4 minutes.

Your LAST slide should include ALL of your source citations.
