

JCEF Adult Spelling Bee Sponsorship

This year's BEE will be held on October 29th, 2019 at Smithfield-Selma High School at 6:00pm.
Check In will start at 5:30

The funds from this even support JCEF, which provides scholarships for students and grants for teachers in Johnston County Public Schools. Since our inception, more than a million dollars has benefitted the students and teachers in this county.

Spell! Have Fun! Costume it out!! BRIBE the BEE to stay in the game!!

The adult Spelling Bee utilizes team spelling. Once the moderator calls a word and uses it in a sentence, four-person teams all write down their version of the spelling. Time is quickly called and words are handed to the team judges. The correct spelling is then displayed for judges to use to check the spelling. As long as teams spell correctly, they are in the game. When a team misspells a word, they can buy the word (until the second half of the difficult word round) in order to stay in the game. You can even BRIBE your way to Win! We keep the event light-hearted by having teams dress in costume and award spirit and best costume prizes. Theme out your table! Bribe the Bee! The overall winners receive Champion Medallions and the housing of the coveted Spelling Bee trophy for the year.
