

O's Foreign Investment Sheet

This sheet will be used to record all investments from other classes into your class. As a stock broker, you should know about all the points being invested into your class even if they are not from your class. After the other stock brokers contact you about the investment, record it here and input to online doc for the investment to count as legal. Also when the DOE does the state of the kingdom these numbers should match up with all the other stock brokers numbers. **ALL FOREIGN INVESTMENTS MADE INTO YOUR PERIOD MUST BE RECORDED HERE!**
