

Kaiju King Creations Terms of Service

Warranty

All price quotes are subject to change without notice. Amount of commissions are limited per month. Kaiju King Creations reserves the right to deny service to anyone. All commissions have a guaranteed warranty for 60 days after receiving. Any unauthorized alteration not made by Kaiju King Creations voids this warranty no matter what. The warranty covers defects of material and construction, but normal wear and tear is not covered by the warranty.

Age

All customers must be of 18 years of age or older. If you are not, please make sure you have your parent or legal guardian help you. We need them to confirm that you can commission us before we will listen about what you'd like. Don't make big purchases without telling them!

Quotes

Quote prices can change. Quotes do expire after 30 days, and prices may or may not change after that. They most likely will not but better safe than sorry.

Payments

Kaiju King Creations requires a 50% nonrefundable down payment to guarantee a completion date. Final payments have to be received before your commission is shipped. Late payments will cause your commission to be delayed. We only accept PayPal, nothing else. We accept payment plans on all commissions costing \$100 or more. Please note we are not responsible for any missing or late payments. No money should be sent until your commission has been agreed upon.

Sizing

Fullsuit commissions require a DTD (duct tape dummy) for accurate fits. We do not take measurements, unless you're okay with a slightly ill-fitting bodysuit. If you plan to go through a physical change such as gaining/losing weight, growing, etc., it's best to make a DTD after this change. But if you'd like, just let me know what you're doing and I'll adjust the bodysuit accordingly for you.

Last Minute Fixes

We'd prefer you explaining exactly what you want from the beginning before work starts. If you have a change and I've started work, I may or may not tack on a fee for the change. The fee varies in price depending on what you want changed. These changes may or may not affect completion time. If they do, we'll let you know.

Refunding

Occasionally, a client has to cancel a commission. In the event this happens, depending on the

progress of your commission, your refund will reflect this. (Excluding the nonrefundable down payment)

Reference Art

Kaiju King Creations uses a drawn visual reference to build your custom costume from scratch. The reference must show two angles, front and back at least. Close drawings of small details and describing the expression you want is a requirement. SFW references only, if the provided reference is NSFW I'll let you know. We do draw references so if you need one please feel free to ask when submitting a quote.

Photo and Text Updates

We are more than happy to provide WiP pictures while working on your commission! We can send them to you via e-mail or phone. They'll be photo and text updates and will be sent frequently to make sure you are satisfied with the product.

Shipping

Kaiju King Creations ships worldwide, although we are located in the United States. Shipping prices are not included in the product price. An estimated shipping cost can be provided but it's subject to change. When shipping internationally, once out of the U.S. we are not responsible for it.

Rush Orders

Kaiju King Creations does take rush orders, but they tack on an extra 20% to the total cost due to getting bumped up on the queue. Plus we try to finish it as fast as possible while keeping our great quality.

Allergy Warnings

We own two cats. While we do keep them out of our workspace the best we can, it's near impossible to make anything cat-free. We do brush out all commissions thoroughly before shipping to remove any hair that might've gotten on it.

Contract

All agreements between both parties in writing (including e-mail and other communication), is a binding contract. By commissioning Kaiju King Creations, you accept all of our terms and services and promise to abide by them. Kaiju King Creations saves all digital copies of communication for our records.
