

Dear Parents and Caregivers,

This term our class is learning about **whanaungatanga**—building positive relationships and getting to know one another. As part of this unit, we would love each child to share a little about the people and things that are important to them.

We invite you to please send in or email a few photos or pictures of things that represent your child. These could include:

- Family members
- Friends
- Pets
- A favourite place
- A favourite activity or interest

Your child will have the opportunity to share these with the class so we can learn more about each other and celebrate what makes everyone special. The photos will also be displayed in the classroom as part of our whanaungatanga display.

Thank you for helping us create a classroom environment where everyone feels connected and valued. If you have any questions, please feel free to get in touch.

Kind regards,
Natalie Carter
