

## **Disclaimer**

This book details the author's personal experiences with and opinions about right-brained learning. The author is not licensed as an educational consultant, teacher, psychologist, or psychiatrist.

The author and publisher are providing this book and its contents on an "as is" basis and make no representations or warranties of any kind with respect to this book or its contents. The author and publisher disclaim all such representations and warranties, including for example warranties of merchantability and educational or success advice for a particular purpose. In addition, the author and publisher do not represent or warrant that the information accessible via this book is accurate, complete or current.

The statements made about products and services have not been evaluated by the U.S. and or Canadian government.

Please consult with your own legal or accounting professional regarding the suggestions and recommendations made in this book.

Except as specifically stated in this book, neither the author or publisher, nor any authors, contributors, or other representatives will be liable for damages arising out of or in connection with the use of this book. This is a comprehensive limitation of liability that applies to all damages of any kind, including (without limitation) compensatory; direct, indirect or consequential damages; loss of data, income or profit; loss of or damage to property and claims of third parties.

You understand that this book is not intended as a substitute for consultation with a licensed teacher, educational, legal or accounting professional. Before you begin any change in your lifestyle in any way, you will consult a licensed professional to ensure that you are doing what's best for your situation.

### **PS:**

*Every effort has been made to accurately represent the products and its potential. Any claims made of actual earnings or examples of actual results may not apply to the average purchaser and are not intended to represent or guarantee that anyone will achieve the same or similar results. Results will depend on the unique skills and business of the individual and as with any business endeavor, there is an inherent risk of loss of capital and there is no guarantee that you will earn any money.*

### **MY DISCLOSURE:**

*Many of my posts contain affiliate links for recommended products or services. These are personally reviewed and used by me Christine Adindu and I will receive a commission on any sales.*

*\*Disclaimer: Results are not guaranteed.*
