Williamsburg Grange #225

10 Main St.
Williamsburg, MA 01096

June 1, 2026

Dear Sponsor:

The Williamsburg Grange #225 is excited to announce our 119th Annual Grange Fair on September 12, 2026. This one day event is open for all community members to participate and attend. Participation involves entering items to be blindly judged in categories such as crafts, agricultural items like veggies or flowers, baked goods, photography and so much more. Winners are awarded small cash prizes and public recognition. Attendees can enjoy the display of judged items, a bake sale, lunch, vendors/crafters out on the lawn, children's activities and the super fun Auction Fundraiser in the evening.

Our event is free to attend and relies on supporters like you to be able to make it all happen. Sponsors will be recognized with ads printed in the Grange Fair Premium List. 'The Premium', as we like to call it, outlines the various categories in which exhibitors can enter items in the fair. Exhibitors and the general public who attend the fair will be able to see your sponsor advertisements as well as recognition on our website and social media.

Hundreds of community members throughout Western Mass exhibit and attend the Burgy Grange Fair. Show your support of Burgy Grange and get the business recognition you deserve at the same time!

Please consider sponsoring this quintessential small town fair by sending along a minimum contribution of **$30.00** by **A.S.A.P.**. New sponsors must send a **business card-sized ad**. Previous sponsors can use last year's ad or send along a new one if updating is needed.
