

Arathi Ma - Financial & General Abundance & Debt Release Target Call

Each session is 10-15 min and focusses directly and ONLY into the core imbalance that shows up during the session. Arathi Ma works directly with the link between your body and spirit and removes the most current blockage. This is a very result-oriented process for difficult and long-term issues that did not change after a normal 30 min session. Removing all blockages results in the disappearance of your symptom/s. Sessions are scheduled weekly:
