

Nidalee Flex

Spots:

2-1 Ixtal (Not Mandatory but is really good) / A lot of Neeko (>2) / Small Dupe / Anything to chase 6 Neekos ASAP (Stars are born, etc).

Gameplan:

Play Ixtal ASAP

Roll for Bard 2-3

Roll 6 at 3-2 to stabilize (Looking for any backline such as: Milio, Ahri, Zoe, Bard)

Unlock Nidalee 3-7 (Also unlock Skarner if possible)

Level 8 for Nidalee 2, Skarner 2 & other upgrades (Neeko 3 is NOT MANDATORY)

200 Cashout Vs Higher Cashout:

For me 200 is the sweet spots to spike my board while having the chance to get small dupe, always cashout 200 if you are far away from unlocking Nidalee otherwise chase higher cashout.
