

Policy: P302
Website

Rationale

The local recognizes that there is a need to connect with members and the public in as many forms of media as possible. A website will provide a comprehensive and convenient source of information for members, and as such, it is a priority for the local to maintain and update it regularly.

Policy

1. The local will update and maintain the website members.atalocal15.com
2. In order to effectively communicate with members, the website will provide contact information, news, and information on local operations and events.
3. Responsibility for maintaining the local website will be the duty of the Local Communications Officer.
