

Month 3 Assignments

Instructions

1. All assignments are due on the due date. Grades will be recorded the day or the day after they are due.
2. All work will be handed in on Canvas unless noted otherwise; detailed directions for completing the assignments are all on Canvas.
3. In all academic work, the ideas and contributions of others must be appropriately acknowledged and **work that is presented as original must be, in fact, original**. Copying work created by an AI-content generator (such as ChatGPT) and turning it in without proper attribution or authorization is a form of academic dishonesty and will not receive credit. If you are unsure about whether something may be plagiarism or academic dishonesty, please contact Mr. Meyer to discuss the issue.

Class Session Activities:

10/8: Examining our assumptions; Introduction to patterns of development

10/15: Logical Fallacies

10/22: Using the Modes: Definition & Compare/Contrast
