ATTACHMENT 8Delegation of Authority Policy

(Adapted from himaa.org.au/Governance/Delegation of Authority.doc)

1. Introduction

The Board of Directors is responsible for the control and management of ABC ORG (ABC). The Board proposes to focus on governance and to delegate to management the authority necessary for operational management.

The Board retains to itself the authority to:

- Enter into strategic commitments, and
- Commence or conclude litigation, other than that associated with the recovery of debts.

This document sets out the general principles governing the delegation of the Board's powers and authority and a schedule of delegation to management.

2. <u>General Principles</u>

- **2.1** Delegations are to positions not to individual persons.
- **2.2** Acting appointees may exercise the same powers as the permanent appointee to a position.
- **2.3** Delegates may not further delegate their powers except where specifically authorized so to do.
- **2.4** Delegates may not authorize expenditure, nor authorize the issue of Purchase Orders on their own behalf.
- **2.5** Authorizations for expenditure must be signed by the appropriate delegate.
- **2.6** No person is authorized to sign on behalf of another in authorizing expenditure.
- **2.7** The level of expenditure, quality or quantity of goods/services may not be varied from that which was approved, without the endorsement of the original authorizing delegate evidenced in writing.
- **2.8** Expenditure may not be authorized unless funds are available under the control of the authorizing officer.
- **2.9** The Schedule of Delegation should be reviewed at least annually by the Board.
- 2.10 In the event the Executive Director is not available for an extended period, an alternative member of staff is to be authorized by the Board or the Executive Director to exercise the same powers conferred to the Executive Director.
