

Scaled-Back Pumpkinfest Talking Points

- Thanks everyone for your ongoing support for Pumpkinfest. We can not say thank you enough.
- We are glad to announce that we will offer Giant Pumpkins on Main St., carved and decorated by local artists.
- All other events, including the Regatta, will not happen this year.
- This decision is being made in light of the ongoing Covid-19 pandemic based on Maine CDC guidance and input from our business, municipal, safety, and municipal partners.
- We're still looking for a few more Pumpkin Artists. Please send a note to PumpkinArt@DamariscottaPumpkinfest.com.
- We're encouraging families and visitors to visit the pumpkins and local businesses anytime in the October 9 to October 19 window.
- This year's amazing 2021 t-shirts, hoodies, hats and other items will be for sale at local businesses and online soon at DamariscottaPumpkinfest.com.
- Check the website for updated information about remote parking, free buses to see the pumpkins on Main St., and safety information: DamariscottaPumpkinfest.com.
- We are so grateful for the incredible support from our businesses.
- Pumpkinfest is a wonderful part of what makes our community a great place to work, live, and play.
- We look forward to seeing everyone Oct 9-19 and at a full festival next year.
