STATEMENT

a. Rationale/
Program
Description

Harmony Elementary is committed to assisting all students with academic deficiencies consistent with students' intervention or individual learning plans.

The Harmony Elementary School Council will determine when and how services will be provided based on the resources available from district/state ESS funds.

b. Eligibility

Per district policy, student eligibility will be based on the following methods:

- Teacher recommendation
- Academic performance data, including diagnostic, formative and summative assessments
- Behavioral and developmental progress as documented on informal and formal assessments

c. Student
Selection/
Services

Students demonstrating the greatest need will be given priority. Students serviced through ESS will be monitored closely to determine progress.

d. Parent
Notification

Parents of eligible students will be notified using the district's notification form. Parents will receive feedback outlining their student's progress towards their learning goals.

The building principal must approve any deviation to the above guidelines.
