

# Moreno Elementary School's African-American Parent Advisory Council Meeting Schedule 2022-2023

Hello Moreno Elementary AAPAC (African American Advisory Council) Families,  
**Welcome to the 2022-2023 School Year!**

Our school district has an African American Advisory Council (AAAC) and each school site has an African American Parent Advisory Council (AAPAC), because our district recognizes that parent/family involvement plays a vital role in fostering student success.

The purpose of the AAAC/AAPAC is to involve and engage parents, families, students, educators, and community members in the decision-making process at the local, district and regional levels.

In addition, we collectively understand that parent involvement improves the quality of education for African-American students by raising the level of awareness in our community about cultural learning differences and promoting an understanding among parents, educators, and others about culturally sensitive issues relating to the education of students of color.

We are committed to ensuring that all students achieve “Excellence on Purpose.”

***AAPAC is open to all parents.***

This year we will have some meetings in person and some on Zoom.
