The easiest way to allow your child to shop our book fair is through the use of an eWallet (see attached flyer). eWallets allow your child to access these funds to purchase books during their library class time. You will not need to print out anything at home. We will be able to access eWallets here at school through a secure online connection.

The Book Fair will accept cash and checks as payment as well. Please discuss with your child the importance of keeping their money in a safe place until they come to the Book Fair. During school hours, students will only be able to shop the Book Fair during their library class time. Students will not be allowed to shop during their recess times.

If you would like to shop with your child/family in-person, the Book Fair will be open Mon-Thurs afternoons from 2:30-3:30pm, and Thursday evening from 4:30-7:00pm, as well as Grand Breakfasts all week before school from 7:30-8:00am (see attached pink flyer). **The Book Fair will close promptly at 2:30 on Friday.** Questions? Please email Mrs. Sturges at: Nichole.sturges@camas.wednet.edu
