

Dear Parent/Guardian,

South Central Calhoun Community School is committed to sharing and gathering valuable information from our local community. In a collaborative effort to help accomplish this the District will be offering (2) School Improvement Advisory Committee Meetings (SIAC) this school year. The first of these meetings will be held on **Thursday, October 21st from 6:00-7:30 p.m.** in the Media Center at the Middle School in Rockwell City and the second of these will be held on **Thursday, April 21st, 2021 from 6:00-7:30 p.m. in the Media Center at the High School in Lake City.**

Anyone from the community can attend these meetings, and we encourage you to consider sharing your input as a key stakeholder in our District. For this reason we would like to personally invite you to attend both of these dates. You can expect there to be two-way communication from both the school and general public during these meetings as our goal is to provide valuable recommendations to the local School Board for consideration.

Thank you for entertaining the possibility of attending these meetings. We look forward to open communication and the opportunity to improve your local school system.

Respectfully,

Brad Anderson
Superintendent
South Central Calhoun
