

Pig Beach post Labor Day 4s Tournament

Saturday, September 6

8:30 am until late

We are moving the date to after Labor Day this year, to see if we can avoid the holiday craziness, and have a better chance of folks being in town, instead of flying out to Meridian, Mississippi for the long weekend.

Location - Pig Beach (Google us on Google maps)

Cost - \$20, which covers lunch, artery clogging snacks, and some mostly unhealthy beverages.

Payment can be made by Venmo (Glenn-Fukushima), Zelle (fuke700@hotmail.com or 562 537 7749), or cash. You are not in until you deliver the \$.

Check in begins at 8:30. If you are running late, contact Fuke at (562) 537 7749. Pool play will begin around 9:30.

Format - You will be placed in a pod of 8 players, and you'll play 7 games, switching teams every game. Points matter, so even if one of your team mates is apparently blind, and you're losing, do whatever evil you can muster to get an extra couple of scores.

Individual players will advance to the playoffs based on points earned (definitely top 4, and maybe some wild card players). Playoff teams will be (mostly) randomly drawn, and playoffs will be single elimination.

Note - Plan to stay most of the day. If you leave early to groom your toe hairs, you screw over the other 7 players in your pod. Pool play will go into the afternoon, and playoffs after that.
