

Professional Activity Day Description: October 25, 2024

Information for Elementary Parents/Guardians

Date: October 25, 2024

Length: Full Day

Elementary Topics:

- Mathematics
- Mental Health
- Progress Reporting

Entity Hosting: Upper Grand DSB

Presenter(s)/Facilitator(s): Independent/Individual

Description:

- Morning (75 minutes) - Mathematics and Mental Health: Overall, the professional development resources that will be provided help teachers implement a comprehensive, differentiated math program with a focus on small group instruction, data-driven decision-making, and independent practice tools. Staff will also learn about trauma informed classroom practices.
- Afternoon (150 min): Progress Reports as per Collective Agreements.
