

2025-2026 Omicron Chapter President's Report

The members of Omicron Chapter shared many informative, fun and sisterhood building activities this year. We are so grateful to be able to hold our meetings in the historic Bishops' House. At our business meetings in October, November and April we learned about educating at-risk youth at Life's Kitchen, Early Childhood Education in the Boise School District, and, from the Idaho Senate minority leader, the outcomes of education legislation in this year's Idaho state legislative session. In February, we shared a meeting with sister Boise chapters Alpha and Phi to listen to Rep. Janie Ward-Engelking discuss pending Idaho legislation affecting education. In a happier event, we shared a lovely Friendship Luncheon with Phi and Alpha in March. In May, we celebrated our international DKG song, installed new officers (hooray, we finally filled the slate), and heard reports on the year's progress from Omicron committees. We formally accepted our new committee structure.

At our social meetings, we enjoyed the Getting to Know Our Omicron Sisters event in September, especially the recommitment ceremony. We laughed a lot as we played games and sang together at Christmas Time in Olde Boise. This year, we started a door prize activity at every meeting; this has promoted creativity, sharing and, hopefully, attendance.

Omicron members continue to reach out to support education in the community by supporting Operation Wishbook and joining Alpha and Phi in contributing supplies to the Borah H.S. food pantry and the Booth Home for unwed parents.

We look forward to our USA 250th celebration in September.

Jane EM Matthews, Acting President
