This year our theme is Newton's Got G.R.I.T. (Growth, Resilience, Innovation, Trust)

Therefore, our goals for when we meet together are focused around the 7 habits for success and focused on problem solving as a team!

We will meet for staff meetings in the library on Fridays at 8:10 a.m. **Please bring your binder and be on time.**

At staff bi-monthly meetings, we will announce important information, professional learning, and celebrate each other. The Teacher & Support Staff member of the month will be announced during these meetings. You will vote at the end of each month through Google Form with Araceli.

You can only be nominated once a year.

When it is your assigned week, please bring a brief (not more than 1-2 min) highlight of your grade level, shout out students, and/or a strategy or procedure that you're proud of from your grade level to share. It can be a funny, heartwarming, or all around a positive strategy or story to share. Those selected students will get a shout out on our morning announcements & a treasure box treat from the front office.

**Please note that these are subject to change based on needs and schedules.*
