

Contract Work for Illustrator / Artist

We're looking for a creative and talented artist to produce an original, layered key art for the cozy life-sim Critter Cove in a variety of resolutions.

Requirements:

- You are someone who can take a brief and develop and refine an interesting creative idea that communicates character, genre and setting in a small space
- You have real world experience making marketing art for commercial games, and can provide examples
- You are available to start immediately and deliver a final within three weeks
- NO AI ART - You will not be considered if your work is made with AI

Formats:

We are looking for one completed mastered key art in layered PSD, 1920x1080. However, we also need this concept to be delivered in the following (new) Steam resolutions, with elements adjusted as required for logo position and visibility.

- Steam Header (920x430)
- Steam Small Capsule (462x174)
- Steam Background Image (1438x810)
- Steam Main Capsule (1232x706)
- Steam Vertical Capsule (784x896)

Applying:

- Email me at contact@play-crittercove.com with your portfolio and a ballpark quote please, also any testimonials or references if you've got them.
- I probably won't be able to respond to everyone who emails, sorry!
