CHURCH PANCAKE BREAKFAST AUG. 28, 9:00AM

Sign Up HERE.

Sunday, August 28th, we will be serving a pancake breakfast for the members of the St. Mark's United Methodist Church as a way to thank them for their support of our troop. They provide us with a meeting space, storage space, and use of their sanctuary for special events, all without asking anything in return! This is our opportunity to thank them and let them meet the scouts they are sponsoring. Attached is a volunteer signup sheet.
Unless you have prior plans that can not be adjusted, I expect to see you there on Sunday at 9:00 a.m., in your Class A uniform, to help set up and help with food preparation. If there are enough helpers and you would like to attend the service to develop community with our sponsoring church and its congregants, the service begins at 930 a.m.
Scouts, please sign up at HERE. We also need some parents to help with pancake and bacon cooking, please.

Philmont is legendary, one of four BSA High Adventure Bases. It is a large ranch in New Mexico with a range of itineraries to suit all interests. Scouts must engage in several months of physical fitness preparations before this trip.

We will have two crews, with separate itineraries that have not yet been planned. We will travel by train from Santa Barbara, and return by train.

A brief description of my project: I will be building two large shelving systems (one much larger than the other) to be installed in Goleta Valley Junior High's costume storage loft for the theater department. I will also install a set of cubbies into a preexisting shelf to help organize the jazz shoes stored there. The loft is very cramped, but despite being a loft, has a lot of unused vertical space. These shelves are tall, much more so than what is there currently, and will be better able to utilize that vertical space.

Thank you,
Jay Miller

Deb's Hunt: a Troop 26 Junior Hunt and Community Service Opportunity - Sat 2/5/2022

Leader: Patton

Location: near Lake Cachuma

The CA Department of Fish and Wildlife will have its annual Debra Takayama Memorial Junior Pheasant Hunt on the morning of February 5 near Lake Cachuma. There are two ways you can participate:

1. (**registration closed**) If you were under 16 on July 1, 2021, you may register to participate in the hunt. This is an excellent introduction to bird hunting, with CDFW officers and other trained personnel there to help you. You would need your hunter safety training and a Junior Hunter License, and a 12 or 20 gauge shotgun, to participate in the hunt. If you have little or no experience in shotgun shooting, you may ask Dr. Benoit, ASM to conduct some practice sessions before February 5. He can also teach the hunter safety course, or you can take it online.

   To register for the hunt, go to: www.debshunt.org. REGISTER SOON, it will be oversubscribed!
2. ***This is also a service opportunity***. Whether or not you are hunting, you may work with Mr. Patton, ASM to provide a skill session teaching some of the great lashing, knot and other skills to the hunters who are waiting for their turn to shoot. We've done this in the past, and it's been very popular. This is an opportunity to earn service hours while showing these hunters how much fun it is to be a Scout! There will be a sign-up sheet soon, and you can ask Mr. Patton for more information. Signup

The Playground Day Hike - Sat 12/4/2021 - Sign Up

Leader: Mr. Perez surferbob47@gmail.com 805-284-3985

Meet at Big 5 at 8:00 am. Returning to church around 12pm. Bring 10 essentials and snacks.

On Sat. December 4th, we are doing a classic hike (of sorts) in the nearby front country of Los Padres National Forest – the rock maze known as The Playground. The rock formations here are a popular destination for Santa Barbara adventurers who like to amble among the numerous rocky corridors to be found here. The trailhead is found off of West Camino Cielo.

The hike consists of a 20-30 minute walk down a brush corridor of a path until you reach a rock formation known as The Guardian. Once you get to the other side of it, a beautiful vista of Santa Barbara, the Pacific, and the Channel Islands comes into view. From there, scouts wander and explore the rocks in the general vicinity of The Guardian for a while. If you have a friend who wants to see what scouting is about, this is a good trip to bring them on. In fact, we hope to have some Cub Scouts join us for the fun.

Guadalupe Dunes Day Hike - Sat 11/6/2021 - Sign Up

Leader: Weakliem pweakliem@yahoo.com 805-319-5184

Meet at Big 5 at 7am. Returning to church around 3pm. Bring 10 essentials/sack lunch - and if you want, boogie board and helmet. Wear shoes (We're walking in sand)

On Sat. Nov 6'th, we're doing a unique hike up in the north county – Mussel Rock in the Guadalupe Dunes. The dunes are from sand coming out of the Santa Maria river, but it's kept from moving south by a set of mountains at Pt. Sal – so there are dunes hundreds of feet high. The 1923 movie The Ten Commandments was filmed here, and the gigantic sets are still buried somewhere in the dunes.

The hike consists of heading south along the beach for several miles before we head into the dunes and up to Mussel Rock, which overlooks the dunes and Paradise Beach. Then we can wander back through the dunes to the cars. It's a fantastic place to visit, that most people in Santa Barbara County don't even know exists! If you have a friend who wants to see what scouting is about, this is a good trip to bring them on.

If you want to take your family there one day to visit, be sure to stop by the Dunes Visitor Center in Guadalupe – it's only $7/person and has lots of interesting information about the area. www.dunescenter.org
