Induction Updates

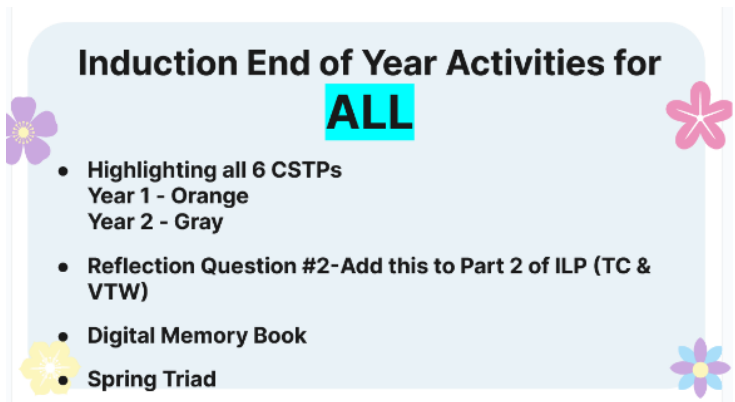

Upcoming Events

On March 6, 2024 at the Support Provider Meeting, SPs participated in collaborations and shared ideas of how best to support their Participating Teachers. At the Participating Teacher and Support Provider Collaboration Meeting on April 10, 2023, PTs and SPs reviewed program updates and end of the year activities for final advisements. They were also spoiled by Grand Canyon University with delicious cupcakes.

Spring TRIADs

In March and early April, Year 1 & Year 2 Induction Participating Teachers will be conducting Spring Triad Meetings with their Administrators and Support Providers. The Triad Meeting is led by the PT and is an opportunity for the PT to talk about his or her Individual Learning Plan-ILP and update their Administrators on the progress of the two professional growth goals (CSTPs) that they chose to focus on during the academic year. Induction Participating Teachers will also receive feedback from their Administrators in regards to their growth goals. Year 1 and Year 2 Induction Participating Teachers will also be presenting their Digital Memory Books at these Triad Meetings. The theme for this year is, "Teaching is a gift that is shared every day!"
