[Marina Del Rey, Ca, May 25, 2023—] Paddle Pub is thrilled to announce the grand opening of Paddle Pub Marina Del Rey in June 2023.

Paddle Pub Marina Del Rey will operate 26-passenger pedal-powered boat tours where guests are welcome to bring their own beverages and snacks while enjoying the experience and sights Marina Del Rey offers. Most tours are two hours long and during these tours you will have opportunities for sightseeing, observing Sea Life, magnificent vessels, dancing, and much more.

The Duchess Pub comes with a Licensed Captain as well as an event host. The Captain will keep the vessel moving when our guests are tired of peddling and the host will make sure you have a memorable time.

The World Renowned Marina del Rey Harbor with it's endless sights and activities, is the largest man made harbor in the United States and hosts over 5,000 Vessels.

Paddle Pub Management remarked on the upcoming opening, "We've spent over a year planning our launch in Marina Del Rey and we are beyond excited to get in the water and start showing locals and tourists alike a unique way to celebrate."
