DIC Framework

Subject Line: I Shouldn't Even Be Telling You this

Do you know what all these rich people have that you don't?

I'm not talking about money, cars, houses or any other material possessions.

They have what you lack, what is it that you lack?

FOCUS

You lack the focus to achieve everything you've ever wanted.

But I know their secret to high level focus.

PAS Framework

Subject Line: Are you still procrastinating?

It's not that you don't want to do that project because you can't be bothered or because it's going to be boring.

It's that you know you won't be able to FOCUS longer than 15mins.

So how are you going to get anything done in your life that will be important to your future?

How are you going to finally start that business to make the money that's going to change your life if you have NO FOCUS?

FOCUS is the key trait you need in order to drastically change your life.

If you've had enough of wasting time and want to get started to a better future,

HSO Framework

Subject Line: I couldn't even think straight anymore

I'd spend days on end trying to get a simple task done.

ONE SIMPLE TASK

I couldn't do it, it felt like there was a cloud of smoke inside my head everytime i tried to think about anything related to my task.

I almost broke down in front of my best friend because I couldn't take it anymore.

But, he showed me something that changed my life forever. He too was in the same situation I was in.

I feel like I owe my life to him now.
