Wisdom and Guidance Committee

MINUTES
December 6, 2021

Wolf Creek Public Schools Land Acknowledgement

"We acknowledge that we are on Treaty 6 territory and we recognize all the many First Nations, Métis, Inuit, and non First Nations whose footsteps have marked these lands."

Welcome and Introductions

- **Introductions of members in attendance**
  - Welcome Lana Thompson who is trustee for Ward B - Ponoka area
  - Welcome Briana Evans who is the secretary of the Métis Local, Region 3 and many thanks for supplying WCPS with Métis flags.
- **The meeting was postponed to Wednesday, February 2, 2022 @ 5:30 pm to plan for an in-person Wisdom & Guidance Committee meeting.**
  - Superintendent De Ruyck explained that the Wisdom & Guidance Committee meetings would be better served to have members gather in person as part of a talking circle. The intent is very important and we want to see it maintained and attract parents and community members to be part of these talks. When only staff members attend it deviates from the purpose. It was the will of the participants in attendance to postpone until the new year. An invite will be sent out in the new year with a location to host the meeting.
  - Wednesday, February 2, 2022 @ 5:30 place TBD (option of in-person or virtual)
