7:35-7:45 pm Snack

7:45-8:00 pm Large Group - Lesson Review Game/ Craft

8:00 pm Dismissal

## How does my child earn points and AWANA bucks?

Cubbies do not accumulate points, but will earn rewards at the end of each unit for memorizing verses each week. They will receive badges on their vests for each unit completed. Cubbies do not have to “earn” AWANA bucks. They will each receive 10 AWANA bucks to spend on AWANA Store nights to recognize all they have accomplished. At the end of the year, ribbons will be given to all Cubbies who complete their entire handbooks. To complete the book, each week's lesson should be signed by a parent and a Cubbies leader.

## What should we do at home?

Parents are central in Cubbies. The Cubbies handbook encourages and equips you as parents to help your child grow spiritually. Take just a few minutes one night a week to read the lesson with your child and introduce the memory verse. Practice the verse with them throughout the week so they are prepared to share it with their Cubbies leaders. When we meet on Wednesday nights, our job as leaders is to reinforce the teaching you are doing at home with your children.

## Club director contact information:

camerfc@comcast.net

## Other club specific information:

We will be going outside as daylight and weather allows, so please be sure your kids are dressed appropriately for the weather. We will move indoors once it starts to get dark earlier, but while we have sunlight and nice weather we will try to get outside!
