- **PSAT** will be Wednesday, October 24th during periods 1 – 4 for 10th and 11th grade students. This test is free to you because the state of Indiana knows how valuable the results are so they pay for every student in the 10th or 11th grade to take the test. This test is not mandatory but is highly recommended, especially for students planning to enroll in college classes at LHS or attend college after graduation. This includes plans to attend Ivy Tech or other technical schools. Your child has received or will be receiving a student guide with practice information in their

English class this week. There are also a couple of excellent free test prep web sites specifically for the PSAT: www.satpractice.org www.sat.org/resources Rather than having students sign up, Mrs Ambs, the guidance counselor will put all students on the testing roster unless she hears from the student or parent that he/she does not want to take the test.

- Because of the congestion in front of the high school building in the afternoon, we are establishing a new pick area for after school. We are asking parents to pick up their children in back of the school by the Pool/Gym doors. Please do not start the picking up process until 2:45. We have a bus that needs to pick up students at 2:40 at the Pool/Auditorium doors and the bus needs a clear path to exit. Thank you for all your help in this!
- We're powering up with **Devo's & Donuts**, every Tuesday morning before school from 7:00-7:30 am in the choir room. All LHS students are welcome.
