

PROJECT: STARBOUND | VR-1028

Confederacy Hyperlane Act of 861 ABY

Wherein the Viceroyalty, Presidium, and involved parties of the Confederacy of Independent Systems do affirm their legal commitment to the following;

Section I.

This act shall legitimize *Project: Starbound* as a government-sponsored act of the creation and upgrade of a network of hyperlanes within the territory of the Confederacy of Independent Systems. The term *companies* shall, in this bill, refer exclusively to the following corporations: Roble Manufacturing and Te'mansoa Industrial Works.

Section II.

The companies shall be given full authorization to construct hyperlanes through Confederacy space and sovereign systems.

Section III.

The companies shall be required to coordinate with the Ministry of Commerce and the sovereign systems involved in the construction and routes of hyperlanes.

Sovereign systems will retain the rights to subcontract construction with corporations of their choice. Typically, this will manifest as collaborations with local corporations as recommended by the local system and/or the Ministry of Commerce, with the companies serving in an oversight position, to ensure the efforts bolster local economies.

Section IV.

The Ministry of Commerce shall be given the responsibility of diplomatic coordination regarding the extension of hyperlane routes extending beyond the border of the Confederacy of Independent Systems.

Section V.

Funds for this project shall be ascertained by the brokerage of government-issued bonds and revenues collected from the Multi-Pass System.

The companies shall coordinate with the Ministry of Commerce and the sovereign systems involved over the matter of licensing of production and employment.

Section VI.

The routes and networks created through Project: Starbound will be subject to a review by an impartial committee as well as the Ministry of Commerce.
