Robin Robinson, Counselor

Dear Riverview Families,

Welcome to the 2026-2027 school year! I hope you have enjoyed your summer and are recharged and ready for an amazing year. I am looking forward to working with you and your child again this year. At RES we are committed to providing your child with rich learning experiences about their world and supporting their growth individually. **The first day of school is Aug. 20 at our regular start time of 8:30.**

This year we are starting with approximately 420 students. We continue to have students moving in and we welcome any new families to our school. If I have not had the chance to meet you, feel free to stop by the office so we can meet in person. My contact information is included in this letter, please feel free to reach out to me anytime throughout the year with questions or concerns.

Also included in this letter is our Family Handbook. It provides important information about Riverview's operations and expectations. If you return this handbook signed (or sign on ParentSquare), your child will earn 25 PBIS points. If you have any questions about information in this handbook please reach out to Mrs. Hansen.

Back to School Night: Tuesday, August 18th, 5:30-6:30

We welcome all families to join us from 5:30-6:30 on August 18th to meet their child's teacher and ask any questions you may have. If you have multiple children at RES you can go to any of their classrooms throughout the 5:30-6:30 time. We will have class rosters posted at the end of each hallway so you can find out who your child's teacher is. This information will also be live on Infinite Campus on August 18th.

All students will need a set of headphones* (not bluetooth), backpack, water bottle, and lunch box (if needed). If you would like to donate items to your child's classroom it would be greatly appreciated! Some items you can donate include; clorox wipes, tissues, whiteboard markers, pencils, markers, crayons, gluesticks, or glue bottles. Ask your child's teacher for any other items they might need.

I am looking forward to another wonderful year at Riverview. I welcome you to involve yourself in our school community. We are continually seeking parents to sit on our Parent Advisory Committee and School Improvement Plan Committee, as well as have several volunteer opportunities throughout the year for various events. We hope that you will participate in our family events and the events held in your child's classroom.

Please do not hesitate to contact me if I can answer any questions or be of further assistance to you and your family. Together we will make this school year a success!

Sincerely,

Rachel Hansen, Principal Riverview Elementary School
