

*Hey G's, this is a script for a Promotional Instagram post for a 4-week Transformation challenge.*

*"Homemade Beast" is his and his community's nickname which is why the challenge is named after it.*

*The "Hook" is how he usually starts his videos, which is why I think it makes sense to keep that structure*

No Gym? Want to become a Homemade Beast in 4 weeks?

No Problem brother, let me show you my 4-week Homemade Beast challenge.

Whether you want to carve off those annoying love handles that make you look chubby in clothes, or build a strong and aesthetic frame that demands respect...

4 weeks is all it takes to see results.

So if you finally want to feel good and confident in your own skin, make your transformation with me starting on the 14th of September.

With an easy-to-follow workout plan, a private community to keep you accountable, and diet tips straight from my Nutrition Ebook success is guaranteed.

Oh, and did I mention I am giving away prizes of up to 100\$ to the 3 best Transformations?
